"Candy"

She lives just down the block from me
And every day I wait to see her
Hurrying by on her way to the city
I've never seen a girl as pretty as Candy

Candy, you're the girl I can't forget
Though we've hardly ever met
I've always longed to hold you
I'm the boy who lives next door

Candy, I have waited patiently
Hoping that you notice me
Now it's time I told you
You're the one I've waited for

I watched you for a while
And then I saw you smile
The boys admire your style

Oh I'm gonna kiss you if I wait all night
I'm gonna hold you in my arms so tight
Maybe I'm wrong but it feels so right
To want your loving so

Candy, I will love you tenderly
If you'll only stay with me
Just a little bit longer
Just a little bit more

Oh I'm gonna kiss you if I wait all night
I'm gonna hold you in my arms so tight
Maybe I'm wrong but it feels so right
To want your loving so

Candy, I will love you tenderly
If you'll only stay with me
Just a little bit longer
Just a little bit more

Candy, be my sugar candy
Hmmm, pretty little Candy

Well be my Candy
Hmmm, sugar Candy
