When you gaze right into your crystal ball, show me  
what you see  
Here in that piece of glass can't turn you on, it ain't  
made to love me  
And when you open up your gypsy eyes, I can't look  
away  
Using that magic spell to hypnotise, you can make me  
stay

Chorus

Hey Chakeeta, Chakeeta, Chakeeta  
You put the hurt on me, you put the hurt on me  
Hey Chakeeta Chakeeta Chakeeta  
You put the hurt on me, you put the hurt on me

Listen your voodoo hearts beating too fast, beating in  
my palm  
All of them hoodoo curses ain't made to last, throw  
away your charm

Chorus

Hey Chakeeta, Chakeeta, Chakeeta  
You put the hurt on me, you put the hurt on me  
Hey Chakeeta Chakeeta Chakeeta  
You put the hurt on me, you put the hurt on me

Chakeeta, Chakeeta, you put the hurt on me

With your electric vibration, your fascination, see now  
I'm still here  
Sink into an itineration, infatuation, I won't disappear

Chorus

Hey Chakeeta, Chakeeta, Chakeeta  
You put the hurt on me, you put the hurt on me  
Hey Chakeeta Chakeeta Chakeeta  
You put the hurt on me, you put the hurt on me

Hey Chakeeta Chakeeta

Open up your gypsy eyes, you make a spell and  
hypnotise  
Look into your crystal ball, that piece of glass can't tell

you all

You put the hurt on me, you put the hurt on me
