Wohouhouhou! Cheap and nasty -- cheap and nasty.  
Cheap and nasty - love! She was a stranger who  
came out of nowhere.

She makes a living out there on the street.  
And with a faraway look in her faraway eyes.  
The face of an angel who's seen the hard times  
A case of survival without any ties. Chorus  
It's cheap and nasty love.

And she'd leave it if she could.  
Cheap and nasty love!  
You know it ain't magic. She couldn't make any other  
profession.

And as she says, 'well, a girl's gotta eat'.  
Trying anything once with a trick of the trade  
Rents by the hour making sure she gets paid.  
No satisfaction -- it drives her insane. Chorus  
It's cheap and nasty love.

And she'd leave it if she could.  
Cheap and nasty love!  
You know it ain't magic -- no!  
!;!;!;!;!;!;!;!;!;!;!..

Woh!

Chorus

Cheap and nasty love!  
And she'd leave it if she could.  
Coz, cheap and nasty love.

You know it ain't magic -- no!  
Woh! Cheap and nasty love!  
Cheap and nasty love.

Cheap and nasty love!  
You know it ain't magic. Oh, you know it ain't magic --  
no! (Holder & Lea) Submitter's comments:Â
