[1] Rock me boys - rock me boys! You and me are the  
greatest thing  
You and me are the honky kings  
Rockin' on is the next best thing  
To good love - to good love  
A little bit of what you like  
Slaps your face, says, 'on yer bike!'  
She told you once and told you twice  
There's no way - no way  
Chorus You cocky rock boys  
You wanna roll away  
You cocky rock boys  
You rule o.k.  
You cocky rock boys  
You wanna roll away  
You cocky rock boys  
You rule o.k. - you rule o.k.[2] Get your oats in while you  
can  
You're full of wit and it hits the fan  
A fifty - fifty gambling man  
Has no chance - no chance  
You live on speed and it breaks your neck  
A clapped out, living, loving wreck  
You gotta keep yourself in check  
I tell ya - tell ya Chorus R E P E A T [3] Yeah...  
Oh won't you rock me - rock me boys, rock me boys  
Oh won't you rock me - roll away, roll away  
Oh won't you rock me - oh won't you rock me  
Oh won't you rock me - oh won't you rock me  
Yeah... Chorus R E P E A T You cocky rock boys - you  
cocky rock boys  
You cocky rock boys  
You Frank and Johnny - you Frank and Johnny  
You Frank and Johnny - you're hurting my arm  
You Frank and Johnny
