I won't laugh at you
when you boo
hoo
hoo
coz I luv you.
I can turn my back
on the things you lack
coz I luv you.

I just like the things you do
Mm
don't you change the things you do
mm
you get me when you only time can tell
if we get on well
coz I luv you
all that's passed us by
we can only sigh hi
hi

coz I luv you.

I won't in a spot
and smile the smile you got
and I luv you.
You make me out a clown
then you put me down
I still luv you.

I just like the things...

When you bite your lip
you're gonna flip your flip
but I luv you.
When we're miles apart
you still reach my heart
how I luv you.
