Come, and talk of all things we did today  
Hear, and laugh about our funny little ways  
For we have a few minutes to breathe  
And I know that it's time you must leave

Chorus

So darling be home soon  
I couldn't bare to wait an extra minute  
If you know  
My darling be home soon  
It's not just these few hours I've been waiting  
Since you tired  
For the great relief of having you to talk to

And now, a quarter of my life is almost past  
I, I think I've come to see myself at last  
And I know that the time spent confused  
Was the time that I spent without you  
And I feel in myself in blues

Chorus

But darling be home soon  
I couldn't bare to wait an extra minute  
If you know  
My darling be home soon  
It's not just these few hours I've been waiting  
Since you tired  
For the great relief of having you to talk to

Break

Go, and beat your crazy head against the sky  
Try, to see beyond the houses in your eyes  
It's OK to shoot the moon

Chorus

My darling be home soon  
I couldn't bare to wait an extra minute  
If you know  
My darling be home soon  
It's not just these few hours I've been waiting  
Since you tired

For the great relief of having you to talk to
