He's a dirty joker
He's a dirty joker all through the day
Makes me do what he says
He's mine all the time never wanting to go

This way or that way
This way or that way which way to go
Will I take the right track
Yet he's mine all the time never wanting to go

Chorus
He calls from his side
Mine is the problem to decide
He knows the weakness I've got
Doesn't it stand out on my face

What a dirty joker
What a dirty joker try to make himself clean
What a fancy powder
You can tell from his smell that he's just like a queen

Chorus
He calls from his side
Mine is the problem to decide
He knows the weakness I've got
Doesn't it stand out on my face

Ohhh-oh

Ohhh-oh

Break
