Ever since the world began
They said no, no, no you're wrong child
Ever since the start of man
They said no, no, no you drive me wild

Chorus
Do we still do it
Night and day
Do we still do it
Come what may
Do we still do it
Hear me say,
Come on, come on, come on
(repeat chorus)

Ever since the world turned on
It was oh so, so, so corruptable
Got to join our hands in one
We'll be oh so indestructable

Chorus
(repeat chorus)

Ever since the world began
They said no, no, no you're wrong child
Got to take it while you can
No use crying if you wait awhile

Chorus
(repeat chorus)
