Shake up the snake, he's making the break  
You show me the door, now tell me some more  
Go jump in the lake

I got a hot tip, so now let it rip  
There's nothing to lose, the earth didn't move  
So button your lip

Chorus  
I said, don't talk to me about love, love, love  
No, no, don't talk to me about love, love, love

Oh, boy how you dance, there's ants in your pants  
With my kind of luck, a chance of a duck  
Is just half a chance

Chorus  
I said, don't talk to me about love, love, love  
No, no, don't talk to me about love, love, love

I look very brave, the closer you shave  
Oh, no not again, will you tell me when  
I daren't misbehave

Chorus  
I said, don't talk to me about love, love, love  
No, no, don't talk to me about love, love, love

Chorus  
Oh no, don't talk to me about love, love, love  
No, no, no, don't talk to me about love, love, love
