She's all alone she's lost another one  
Letting yesterday be now he's already gone

And though tonight she'll swear it was the last time  
Find it pays will come there goes the right line  
Then she'll do all the right things at the wrong guy  
And when he's gone next day she'll say I wonder why

Chorus

She doesn't know why she's everybody's next one  
Cos she's afraid of the truth it's gonna hurt some  
All the pay in the world ain't gonna help none  
She has to realise that to keep on her ways have to  
change some

She tries too hard and she comes on too strong  
Thinks herself too much and thinks she can't be wrong

She's doing first the things that do not matter  
To be the queen of hearts is what she's after  
Then she'll do all the right things at the wrong guy  
And when he's gone next day she'll say I wonder why

Chorus

She doesn't know why she's everybody's next one  
Cos she's afraid of the truth it's gonna hurt some  
All the pay in the world ain't gonna help none  
She has to realise that to keep on her ways have to  
change some
