Find yourself a rainbow
Find yourself in that pot of gold
When you're there you're there to stay
Anyway
You'll find yourself start changing
All you gotta do is take a hold
Things get better day by day

Chorus
And then you'll know that this time
Is the right time and the place to be
Pick the flowers there's no hours
Just remember April showers
Climb upon that rainbow
Slide on down to that pot of gold
You keep smiling come what may

Break

Chorus
Find yourself a rainbow
A song a day and you wont grow old
You can wish your cares away
