I'm up to my eyes  
And I love everyone  
I reach for the sky  
And then reach for the sun  
Walking on air  
And I'm here and I'm there  
Travel the sky  
But for a while I don't care

Chorus  
Fly me straighter  
Fly me high  
Fly me straighter  
Fly me high

I'm moving around  
And I'm up and I'm down  
Travelling along  
My wheels on the ground  
And locked to me tight  
Cos it doesn't last long  
A few hours more  
And It'll be gone

Chorus  
Fly me straighter  
Fly me high  
Fly me straighter  
Fly me high

I'm driving along  
On the streets of the moon  
Up here alone  
Plenty of room  
You won't see me  
I'll see you I'm too fast  
There you go  
It's gone - now it's past

Chorus  
Fly me straighter  
Fly me high

Fly me straighter  
Fly me high

Aaaah aaaah aaaah aaaah  
Aaaah aaaah aaaah aaaah  
Aaaah aaaah aaaah aaaah

I'm driving along  
On the streets of the moon  
Up here alone  
Plenty of room  
You won't see me  
I'll see you I'm too fast  
There you go  
It's gone - now it's past

Chorus  
Fly me straighter  
Fly me high  
Fly me straighter  
Fly me high

Aaaah aaaah aaaah aaaah  
Aaaah aaaah aaaah aaaah  
Aaaah aaaah aaaah aaaah
