You get off on danger, I wanna live like a monk
I don't care about turnin' into a tramp
Survivin' is part of the jump

You wait to see the big city, an' find it's no big deal
I don't care about the cost of mistakes
Tryin' to do what's real

Chorus

Give me some funk punk and junk
Give me some funk punk and junk
Give me some funk punk and junk

The papers give you the build-up, a sell-out in every
town
It's all well an' good at the top of the tree
But those have gotta come down

Chorus

Give me some funk punk and junk
Give me some funk punk and junk
Give me some funk punk and junk
A-don't give me no junk, yeah â€¦

Give me some funk â€¦ Give me some punk â€¦
Yeah yeah yeah yeah yeah yeah yeah â€¦
Give me funk, give me punk, give me junk â€¦
Give me funk, give me punk, give me junk â€¦
Give me funk, give me punk, give me junk â€¦
Give me funk, give me punk, give me junk â€¦
Give me some funk â€¦ Give me some punk â€¦ooh

You a-get off on danger, I a-wanna live in a hole
All I want is a little punk rock
A little bit of bog roll

Chorus

Give me some funk punk and junk
Give me some funk punk and junk
Give me some funk punk and junk

Give me funk, give me punk, don't give me no junk,
yeah â€¦
Give me funk, give me punk, don't give me no junk,
yeah
Give me funk, give me punk, don't give me no junk,
yeah â€¦
Give me funk, give me punk, don't give me no junk,
yeah
Give me funk, give me punk, don't give me no junk,
yeah â€¦

Give me funk, give me punk, give me junk â€¦
Give me funk, give me punk, give me junk
Give me funk, give me punk, give me junk

Give me some funk â€¦ give me some punk â€¦
A-don't give me no junk
