Ginny Ginny Ginny

Woh

Every Saturday she spends the night on the tiles
Every Sunday morning never early to rise
Back to work on Monday with the sleep in her eyes
She's late so she dies

Every Tuesday evenin' stays in washing her hair
I call her up on Wednesday find there's nobody there
Working late on Thursday oh cos Friday's the day
When she gets her pay

Chorus

Ginny gonna get it while you can
She ain't about to start no random plan
Ginny Ginny boxes candy handyman
She won't change cos she's never gonna change yeah

Always takes a week in the winter to ski
She goes as Mrs Smith so she can get in for free
Late again on Monday says her plane was delayed
Or so she says

Always said she wants to find a millionare
But he must be one with understanding to spare
'Cos Ginny ain't the kind of girl a man can tie down
She's sure been around

Chorus

Ginny gonna get it while you can
She ain't about to start no random plan
Ginny Ginny boxes candy handyman
And she won't change oh no no

Ginny Ginny Ginny get it while you can
She ain't about to start no random plan
Ginny got a box of funny money handyman
And she won't change no she's never gonna change
yeah

Break

Ginny Ginny Ginny

Every Saturday Ginny's out on the tiles
Every Sunday morning never early to rise
I can't afford to buy her any diamonds or pearls
She ain't one of the girls

Chorus

Ginny gonna get it while you can
She ain't about to start no random plan
She's gotta find a money money money handyman
And she won't change oh no no

Ginny Ginny Ginny get it while you can
She ain't about to start no random plan
Gotta find herself a money money handyman
And she won't change no she's never gonna change

Oh get it get it

Ginny Ginny gonna get it get it

Ginny Ginny gonna get it get it

Ginny Ginny buy myself a handyman

A dandy mandy handyman

Get it get it

Ginny Ginny gonna get it get it

Ginny Ginny gonna get it get it

Ginny Ginny buy myself a handyman
