Give all your loving
Give all your loving to the devil in the dark now

Give all your favour
Give all your favour to the devil in the dark now

You won't feel down
You know you won't feel down

Give all your loving
Give all your loving to the devil in the dark now

I love my pray's young
They are my sound
White women burn thee all around

Break

Black cat so bad
My life passed me by

Devil tempt me
Listen while I try

Before you give me money
Give me what I want

Devil tempt me
I want to rule the earth

I love my pray's young
They are my sound
White women burn thee all around

Break

Give all your loving
Give all your loving to the devil in the dark now

Give all your favour
Give all your favour to the devil in the dark now
