All dressed up in your Sunday best, You never know
when to stop
You got a tight-fit top, One thing about it â€¦ hopin' that
it won't drop off â€¦ oh

Chorus

When you gotta go home, then you gotta go, gotta go
home
When you gotta go home, then you gotta go, gotta go
home
When you gotta go home, then you gotta go

All dolled-up in your birthday suit, You've just gotta
wear a smile
Oh, when your headlights flash, Talkin' about you â€¦
really goin' out in style â€¦ oh

Chorus

When you gotta go home, then you gotta go, gotta go
home
When you gotta go home, then you gotta go, gotta go
home
When you gotta go home, then you gotta go

Always there with a new sensation, a new designer-
frock
Always there with a new creation, determined just to
shock

All decked out in your masquerade, An' you 'n' me are
on the loose
You got a tight-fit top, One thing about it â€¦ hopin' that
it ain't no use â€¦ oh

Chorus

When you gotta go home, then you gotta go, gotta go
home
When you gotta go home, then you gotta go, gotta go
home
When you gotta go home, then you gotta go

Chorus

When you gotta go home, then you gotta go, gotta go
home

When you gotta go home, then you gotta go, gotta go
home

â€¡ When you gotta go then you gotta go home â€¡

Chorus

When you gotta go home, then you gotta go, gotta go
home

â€¡ You gotta go home, I said you gotta go home â€¡

When you gotta go home, then you gotta go, gotta go
home

â€¡ When you gotta go, yeah you gotta go â€¡

Chorus

When you gotta go home, then you gotta go, gotta go
home

When you gotta go home, then you gotta go, gotta go
home
