Goodbye to Jane, goodbye to Jane  
She's a dark horse see if she can  
Goodbye to Jane, goodbye to Jane  
Painted up like a fancy young man  
She's a queen,  
Can't you see what I mean, she's a queen,  
See, see, she's a queen  
And I know she's alright, alright, alright, alright

I say you're so young, you're so young  
I say you're so young, you're so young  
I say you're so young, you're so young

I said goodbye to Jane, goodbye to Jane  
Get a kick from her forties tip boots  
Goodbye to Jane, goodbye to Jane  
Has them made to match up to her suits  
She's a queen,  
Can't you see what I mean, she's a queen,  
See, see, she's a queen  
And I know she's alright, alright, alright, alright

I say you're so young, you're so young

I say you're so young, you're so young  
I say you're so young, you're so young

I said goodbye to Jane, goodbye to Jane  
Like a dark horse see how she ran  
Goodbye to Jane, goodbye to Jane  
Spits on me 'cos she knows that she can  
She's a queen,  
Can't you see what I mean, she's a queen,  
See, see, see, she's a queen  
And I know she's alright, alright, alright, alright

I say you're so young, you're so young  
I say you're so young, you're so young  
I say you're so young, you're so young  
I say you're so young, she's alright, alright, alright,  
alright  
I say she's so young, so young, alright, alright

I say you're so young ...
