Hey ho wish you well, wish you well, wish you well...
Hey ho wish you well, wish you well...

Hey ho wish you well
Everybody wanna yell
High fly touch the sky
Over the moon
Here there everywhere
Any grumble going spare
High fly touch the sky
Over the moon
Over the moon

Mad dogs and Englishmen
Going out in the midday sun
Come on and join the fun
Do you know what I mean
Are you a ladies man
Gypsies kiss in a caravan
Drinking the black and tan
Do you know what I mean

Hey ho wish you well
Everybody wanna yell
High fly touch the sky
Over the moon
Here there everywhere
Any grumble going spare
High fly touch the sky
Over the moon
Over the moon

Turn on your Dictaphone
Take your secretary home
Break down in a parking zone
Do you know what I mean
Riff raff I need a bath
Try and look good on a photograph
I'm on a crazy path
Do you know what I mean

Hey ho wish you well

Everybody wanna yell
High fly touch the sky
Over the moon
Here there everywhere
Any grumble going spare
High fly touch the sky
Over the moon
Over the moon

Mad dogs and Englishmen
Going out in the midday sun
Too hot to jump the gun
Do you know what I mean
Are you a ladies man
Gypsies kiss in a caravan
Drinking the black and tan
Do you know what I mean

Hey ho wish you well
Everybody wanna yell
High fly touch the sky
Over the moon
Here there everywhere
Any grumble going spare
High fly nice and high
Over the moon

Hey ho wish you well
Hey ho wish you well
Hey ho wish you well
Hey ho wish you well

Hey ho wish you well
Hey ho wish you well

Hey ho wish you well
Hey ho wish you well
Hey ho wish you well
Hey ho wish you well...
