You're everywhere and nowhere, baby, That's where
you're at
Goin' down the bumpy hillside in your hippie hat
Flyin' across the country, An' gettin' fat
Sayin' everythin' is Groovy, when you're tired of that

Chorus

An' it's hi ho silver lining, Anywhere you go now, baby
I see your sun is shinin', An' I won't make a fuss â€¦
though it's obvious

Flies are in your pea soup, baby, They're wavin' at me
Anythin' you want is your's, now, Only nothin's for free
I's a-gonna get you someday, just you wait an' see
So open up your beach umbrella, while you're watchin'
T.V.

Chorus

An' it's hi ho silver lining, Anywhere you go now, baby
I see your sun is shinin', An' I won't make a fuss â€¦
though it's obvious â€¦ yeah

Chorus

An' it's hi ho silver lining, Anywhere you go now, baby
I see your sun is shinin', An' I won't make a fuss â€¦
though it's obvious

Chorus

An' it's hi ho silver lining, Anywhere you go now, baby
I see your sun is shinin', An' I won't make a fuss â€¦
though it's obvious

â€¦ ah, yeah it's obviousâ€¦ yeah
