I don't mind, if there's a change in me
i'm unkind, that's how i've got to be
am i being cruel, am i being cruel
i danced on your face
it seemed the best place
for acting the fool
i got time, to put my wrong things right
my life's mine, to do with what i like
am i being cruel, am i being cruel
i danced on your face etc.
chorus
i'm going up, down, all around
build me up and knock me down
to the ground, i don't mind, i don't mind
my star sign, was just no good for you
it might shine, but it can't pull me through
am i being cruel, am i being cruel
i danced on your face etc.
chorus
i danced on your face etc.
i don't mind
repeat to fade
