Early in the morning at the break of day  
That's when my babe went away  
Come back baby I wish you would  
Find it'll be no do no good

Hugging and a-kissing late at night  
Yeah pretty baby I feel just right  
Come now baby give me one more chance  
You know it's me who loves you I want to be your man

Oh your man

All night long

In your arms

Oh yeah

Oh yeah

Break

Early in the morning at the break of day  
That's when my babe went away  
Come back baby I wish you would  
Find it'll be no no good

You know baby that I love you so  
Baby baby baby it hurts me to see you go  
All night long in your arms  
Oh yeah, oh yeah, oh yeah
