A bunch of fives hit me in the jaw  
I was out, put me on the floor, oh no  
Once you were tried with GBH  
Now I'm not just a pretty face, oh no

Chorus

(C'mon) Nancy beat me up  
(C'mon) Nancy bring me round  
(C'mon) A knuckle sandwich knocked me down, down,  
down  
(C'mon) Nancy picked me up  
(C'mon) From a left to right  
(C'mon) A knuckle sandwich put me out like a light

You don't hit a man with his glasses on  
This is what you call having fun? Oh no  
I ended up with a broken nose  
They're not so big when they're on their own, oh no

Chorus R E P E A T

Let'em fight  
Knocked me down, down, down, down, down  
Knock me down  
Knock us out (6 times)  
Ooh you're knocking me out  
Well you're knocking me out, yeah

Hurl your fists and get down to a knee  
She said 'Hey there mate are you looking at me?' Oh no  
'Or are you looking at Nancy' she said  
All I learnt was a kick in the head in bed

Chorus R E P E A T (2 times)

[ad lib and fade]
