Little nightingale singing such a sweet song
Are you telling me that our love was wrong
Are you trying to say that I don't belong

Hmmm true heart, anyway now, now we're apart

Please tell her when to blow yeah, where is my love now
Well I guess they think that it was kinda tough now
But I never, never, ever, never have enough now

Hmmm of her charm, oh baby but now she's gone yeah

Break

Well I guess you don't see, oh the lost love story
The song so sweet now that it'll be loves glory yeah
I guess you don't know child, just how sorry

Hmmm thoughts can not mend yeah, where love that
must end yeah

Little songbird high, sing your song so high now child
Fly from me now away in the sky, your so lonely child
