Mama nature is a rocker - Get the bee to buzz and
made it sting
Mama nature is a rocker - She gets your head spinnin'
in the spring

Are you ready?
Woah are you ready?
Woah are you ready?
Cos the earth is going to shake it tonight
Alright

Mama nature is a rocker - When she gets angry hear
the thunder clap
She takes the rain out of the ocean - And when she
wants to cry she throws it back

Are you ready? Woah are you ready?
Woah are you ready? Cos the earth is going to shake
tonight. Alright

Mama nature is a rocker - Every day comes up with
something new
She takes the day back into night time - She can curse
and turn the grey sky blue

Are you ready? Woah, are you ready?
Woah, are you ready? Cos the earth is going to shake it
tonight

Are you ready? Cos the earth is going to shake it
tonight. Alright
Are you ready? Mama nature's gonna roll it tonight.
Yeah
