Backing vocals

Baby got it ooh ooh she got it

Baby got it ooh ooh she got it

Well maybe you think you're Harlow

Lana Turner or the Hedy Lamarr

Well baby baby baby believe me

You go too far

My baby she can't stop it

My baby ooh she got it

She's holding it against me

She's sure to be a shaking it again

Backing vocals

Baby got it ooh ooh she got it

Baby got it ooh ooh she got it

Well maybe you think I'm Brando

Valentino or a Freddy Astaire

Well baby baby baby believe me

I don't care

My baby she can bop it

My baby ooh she got it

She's a hot dog a doo-da

And she's sure to be a doing it again

Chorus

Giving me the go

The girl is ever ready to please

Giving me the go

The girl is turning over

Changing all the red into green

You're never too young to rock me

You're never too old to roll

Well baby baby baby believe me

Ooh my soul

My baby she's a looker

She sure sure sure is a cooker

She's making it and faking it
And sure to be a shaking it again

Chorus
Giving me the go
The girl is ever ready to please
Giving me the go
The girl is turning over
Changing all the red into green

Backing vocals
Baby got it ooh ooh she got it now
Baby got it ooh ooh she got it
Baby got it ooh ooh she got it now
Baby got it ooh ooh she got it

My baby's got it

My soul

Oh I'd rather be Bela Lugosi
Or the Marx Brothers rolled into one
Well baby baby baby believe me
I'm solid gone

My baby she can't stop it
My baby ooh she got it
She's holding it against me
And she's sure to be a shaking it again

Chorus
Ohh giving me the go
The girl is ever ready to please
Giving me the go
The girl is turning over
Changing all the red into green

Sing it now

Ooh she got it

My baby baby got it

Ooh ooh she got it
