I played the sands of time and I loved and lost
They give their bodies to two time horse
They gambled every thing they got
A greedy mind cut out the cards

They even loved with another man's wife
They even loved her with other men
They've also drank a lot of wine
Some men have even had a good time

Chorus

My life is natural, hey, hey, hey
My life is natural, I said, I said, I said
My life is natural, whoa, whoa, whoa
My life is natural
Maybe tomorrow a change in the life
Of the man in the street's gonna come
Maybe tomorrow hope it's tomorrow

You got the sands of time and got 'em high
They've done their best to wreck their mind
Instead of joke they told a lie
They started wars so men could die now

They try to sus their bodies evil
And what is good will take a mind brighter than mine
To start to setting the world to right
Would take another Christ now

Chorus

My life is natural, hey, hey, hey
My life is natural, I said, I said, I said
My life is natural, whoa, whoa, whoa
My life is natural
Maybe tomorrow a change in the life
Of the man in the streets gonna come
Maybe tomorrow - hope it's tomorrow

Break

My life is natural, hey, hey, hey

My life is natural, I said, I said, I said
My life is natural, whoa, whoa, whoa
My life is natural, comma, comma, comma
My life is natural, hey, hey, hey
My life is natural, I said, I said, I said
My life is natural, whoa, whoa, whoa
My life is natural
