Baby, I need you, I need your lovin' so much
Your big wide lips, they're killin' me baby
An' I want you so much

I need your lovin' (so much) in the mornin' (so much)
Need your lovin' (so much) in the evenin' (so much), oh
my baby
You kill me with rubber lips, those crazy lips

Oh baby, I need you, I need you, oh baby
Come on, I need you baby, alright
I need your lovin' tonight (oh yeah)

I want your lovin' in the mornin'
Want your lovin' in the evenin'
All night long, come on baby, I need ya ya

An' baby, if you really want our love
You gotta get down on your hands an' knees, and start
to beg
A-one more time now, let me hear you beg baby alright

It's happenin' baby (alright)
It's comin' along, it's all happenin' baby, you know it
Oh baby baby (alright)
Oh baby, oh baby, oh baby, oh baby
I need you so much, I need you
I need you so much, oh baby ... I want you
