We're gonna do some rock 'n' rollin' okey cokey

You put your right arm in, your right arm out, In out, in out, shake it all about  
You do the okey cokey an' you turn around, that's what it's all about, sing it â€¦!

Woh oh, the okey cokey, woh ho, the okey cokey, woh ho, the okey cokey  
Hands clap, knees bent, yeah, yeah, yeah

Put your left arm in, your left arm out, In out, in out, shake it all about  
You do the okey cokey an' you turn around, that's what it's all about, come on â€¦!

Woh oh, the okey cokey, woh ho, the okey cokey, woh ho, the okey cokey  
Get drunk, fall down, yoh, yoh, yoh

Put your right side in, your right side out, In out, in out, shake it all about  
You do the okey cokey an' you turn around, that's what it's all about, come on, sing it â€¦!

Woh oh, the okey cokey, sing it (woh ho, the okey cokey), let me hear you (woh ho, the okey cokey)  
Hands up, legs straight, yeah, yeah, yeah

You put your left leg in, your left leg out, In out, in out, shake it all about  
You do the boogie woogie an' you turn around, that's what it's all about, come on, sing it â€¦!
