"Peace Pipe"

As I was walking down the street
I started thinking of the times we used to meet
I started thinking of the love we knew
Remembering things we used to do
That's why I'm wishing that you were mine again

Hoping that someday you'll come back to me to stay
That's why I'm wishing that you were mine again

Why can't you love me like the way you used to do
Try to remember and I know you'll feel it too
Then you'll come back and be happy too
And we'll be one, just me and you
That's why I'm wishing that you were mine again

Break

Hoping that someday you'll come back to me to stay
That's why I'm wishing that you were mine again

That's why I'm wishing that you were mine again
