Hold on!

I like black and white (dreaming of black and white)  
You like black and white  
Run run away

[chorus]  
See chameleon  
Lying there in the sun  
All things to everyone  
Run run away

If you're in the swing (money ain't everything)  
If you're in the swing  
Run run away

If you gotta crush (don't beat about the bush)  
When I gotta crush  
Run run away

Oh now can't you wait (love don't come on a plate)  
Oh now can't you wait  
Run run away

See there chameleon  
Lying there in the sun  
All things to everyone  
Run run away

Run run away  
Run run away  
Run run away
