Chorus

Sad and lonely, sad and lonely and blue
That's the way I feel since I've been without you

I'm sad, lonely and blue, and all because of you
Well baby can't you see that you've been hurting me
That's why I'm sad, lonely and blue

The times we had together, we were just like birds of a
feather
But now you're gone and I am left all alone
That's why I'm sad, lonely and blue

Chorus

Sad and lonely, sad and lonely and blue
That's the way I feel since I've been without you

But now you've gone I'll never forget the times we had
together
And baby you will see that you've been hurting me
That's why I'm sad, lonely and blue

I'm sad, lonely and blue
I'm sad, lonely and blue
