You'd better watch out, you'd better not cry  
You better not pout, though I'm telling you why:  
Santa Claus is coming to town  
Santa Claus is coming to town  
Santa Claus is coming to town  
He's making a list, he's checking it twice  
He's gonna find out whose been naughty or nice  
You'd better watch out, you'd better not cry  
You better not pout, though I'm telling you why:  
Santa Claus is coming to town  
Santa Claus is coming to town  
Santa Claus is coming to town  
He sees when you are sleeping  
And he knows when you're awake  
He knows if you've been bad or good  
So be good for goodness sake  
You'd better watch out, you'd better not cry  
You better not pout, though I'm telling you why:  
Santa Claus is coming to town  
Santa Claus is coming to town  
Santa Claus is coming to town  
He sees when you are sleeping  
And he knows when you're awake  
He knows if you've been bad or good  
So be good for goodness sake  
You'd better watch out, you'd better not cry  
You better not pout, though I'm telling you why:  
Santa Claus is coming to town  
Santa Claus is coming to town  
Santa Claus is coming to town
