How long can you go  
Oh can you go a dozen times?  
How long can you smile  
Oh can you smile a dozen smiles?  
'Cos ev'ry way holds a something that's nice  
Try it once and then you'll try it twice  
Oh mercy, mercy

Chorus

Oh lawdy lawdy  
I'll scratch a your back  
If you'll just scratch mine:  
'Cos when I'm out of sight  
Then I'm out of mind.  
Oh mercy mercy  
Do it over and over again  
Scratch your back  
You scratch mine  
Oh lawdy lawdy

How long will it last  
It's getting harder off the cuff  
How long does it take  
There must be someone with enough  
'Cos everytime holds something that's better,  
Go on get on up, and forget the letter

Chorus  
R E P E A T

How much do you need  
What does it take to get you off?  
No one's ever made it  
Are you tryin' to make me laugh?  
'Cos until now you been and tried all the rest,  
So now's the time you gotta try out the best

Chorus  
R E P E A T

I'll scratch your back you scratch mine

How you scratch mine  
Oh lawdy lawdy I'll scratch your back you scratch mine
