Oh we ain't goin' nowhere
We're just looking for somewhere
Whatever pulled us apart is still the same
It's still the same

Oh we're all one day older
Your hands are gradually colder
What made me weak in the knees is still the same
It's still the same

Oh you ain't been so tender
Your smell and how I remember
Although your only cologne is still the same
It's still the same

Oh I ain't a great romancer
And I ain't got all of the answers
What made me weak in the knees is still the same
It's still the same

Chorus

Nothing's changed
I'm taking the blame
No, nothing has changed
It's still the same
Nothing's changed
Start all over again
It's all in the game
It's still the same
It's still the same

Oh I know nothing's changing
I know I need re-arranging
I know I'm taking the blame, it's still the same
It's still the same

Oh I know nothing is changing
I know there's nothing remaining
I know it's all in the game, it's still the same
Still The Same

Chorus R E P E A T
