"Sugar shack"

Oh there's a crazy little shack beyond the track
And everybody calls it the sugar shack
Well it's just a coffee-house and it's made out of wood
Espresso coffee tastes a-mighty good

Chorus

But that's not the reason that I got to get back
To that sugar shack, woh baby, to that sugar shack

Well there's the sweetest little girl and she's a-working
there

Her black lean calves and her feet are bare
I'm gonna drink a lot of coffee and spend a little cash
And make that girl love me when I put on some trash

Chorus

But that's just the reason that I got to get back
To that sugar shack, woh baby, to that sugar shack

Well my my sugar shack queen she's a-married to me,
yeah yeah

We just sit around and dream a lot, those old
memories

But a-one of these days I'm gonna lay down tracks
In the direction of that sugar shack

Chorus

Yes me and my babe oh we're gonna go back
To that sugar shack, woh baby, to that sugar shack,
yeah

Break

Well there's a crazy little shack beyond the track
And everybody calls it the sugar shack
Well it's just a coffee-house and it's made out of wood
Espresso coffee tastes a-mighty good

Chorus

But that's not the reason that I got to get back
To that sugar shack, woh baby, to that sugar shack

Yeah honey, to that sugar shack
Woh-yeah to that sugar shack
