Chorus

Wat-ching sweet time box of love

Put me in your sweet box

I'm coming along in your sweet box

Do I have to take all night to get there

I saw in the load on your back light

What I saw through my glasses was alright

Do I have to take all night to get there

Chorus

Wat-ching sweet time box of love

Break

Put me in your sweet box

I'm coming along in your sweet box

Do I have to take all night to get there

In your sweet box

I saw in the load on your back light

What I saw through my glasses was alright

Do I have to take all night to get there

In your sweet box

Chorus

Wat-ching sweet time box of love
