Well I see my friends and family  
Ae waiting at the door  
It's party like you never saw before  
Oh oh oh oh  
There's a bareskin in the bedroom  
And another on the floor  
It's a party like you never saw before  
Oh oh oh oh

Chorus  
So I say  
Time to rock  
Time to roll  
Oh I can't wait to celebrate  
And we go marching home  
Time to rock  
Time to roll  
Oh I can't wait to celebrate  
As we go marching home

Well there's people there who I don't know  
They're knocking at the door  
It's a party like you never saw before  
Oh oh oh oh  
All the nice girls love a sailor  
They get one in every town  
But I like to see the rich girls get 'em at the door  
Oh oh oh oh

Chorus

Well it's getting out of order  
and somebody called the law  
let's pretend that we can't hear 'em at the door  
There's a time and place for everything  
It's now and we're all here  
And there's nothing anymore that's very clear

Chorus
