What do you do when they don't understand ya
What do you do to try and make this town?
What do you say now to the man who brands ya
And tries to shoot you down

Chorus:

I'm never gonna give
No I don't give in
I'm never gonna give
Cos I gotta win
Never ever gonna take anymore
From those who shoot you down

What do you do when it don't go too easy
Nothing is easy in a crazy town
Nobody nowhere has got all the answers
They try to shoot you down

Chorus

I'm never gonna give
No I won't give in
Never ever gonna give
Cos I fight to win
Never ever gonna take anymore
From those who shoot you down
Who shoot you down

We're never gonna give
No we don't give in
We're never gonna give
Cos we gotta win
Never ever gonna take anymore
From those who shoot you down
Who shoot you down
Who shoot you down
