Sit up' Git up, The stage is gettin' lit up
We're really gonna raise the roof
Slip up, Trip up, I'm tryin' to do my zip up
We're really gonna raise the roof
You might not have seen us
Only pictures in the magazines
So get up, set up, We aint gonna let up
We're really gonna raise the roof
Mind out, Find out, We even get the blind out
We're really gonna raise the roof
I am sure aware of
That your poppa thinks that we're a scream
So tell him, tell him
We're really gonna raise the roof

Chorus
We get by, by, by
Cos we try, try, try
We aint shy, shy, shy
Cos we're like you
(repeat chorus)

Blast out, Crashed out, You know we're gonna last out
We're really gonna raise the roof
Stare out, Swear out, You're gonna tear your hair out
We're really gonna raise the roof
Bam bam aloo bannma baby
The man in blue says can you keep it clean
So I said git up, git up
We're really gonna raise the roof

Chorus
Just keep on rockin'giving it all that you got
The way that you're moving we'll be in like a shot
We'll get it faster are you ready to go
I said go, go, go
Break

Bam bam aloo bannma baby
The man in blue says can you keep it clean
So I said tell him, tell him
We're really gonna raise the roof

Chorus

You keep on knockin' but I can't let you in
If you aint hot then tell me where have you bin
Cos when we're done you'll be out on the floor
I said more
