Jennie, John and Sister Suzie say that I've been bad  
Now I don't know what they're talkin' about  
But our dady sure is mad  
I can't understand it why they're getting so uptight  
I don't think I'll sick around here  
I ain't lookin' for a fight.

Chorus

Wild winds are blowin'  
Rivers keep on flowin'  
So I'd better get going to try to leave it all behind  
Wild winds are blowin'  
Rivers keep on flowin'  
So I'd better get going to get a little peace of mind.

My brother keeps on callin' 'round  
To see what I intend  
But I ain't never in when he calls  
It's sad to lose a friend  
I bought myself a ticket  
But I don't wanna leave this town  
And there's a lot of people right here  
Who don't want me around.

Chorus

I heard her uncle Sammy  
He's polishin' his gun  
I don't like the look on his face  
So I think I'd better run  
I better get on a greyhound bus  
Before her folks arrive  
'Cause I am just a young man  
And I wanta stay alive.

Chorus

Wild winds are blowin' yeah  
Wild winds are blowin' yeah  
Wild winds are blowin' yeah  
Wild winds are blowin' yeah
