"Lie To Me"

I've been dishonest with myself
Causing more pain than leave
I've been feeling sorry just for me
Blinded by love, you see

I was too scared to tell the truth that you would turn
around and walk away
I was as blinded by my heart, I didn't the chance to say
stay

It was a lot easier to lie to me
I wasn't telling you the truth, can't you see
It was a lot easier to lie to me
Instead of hurting you, I'd just hurt me

I wasn't thinking who'd get hurt
I thought I could live with another distrust
I wondered how I could make you stay with me
protecting our love, you see

I was too scared to tell the truth that you would turn
around and walk away
oh no
I was as blinded by my heart, i didn't the chance to say
stay
eay eay

It was a lot easier to lie to me
I wasn't telling you the truth, can't you see
It was a lot easier to lie to me
I wasn't telling you the truth, can't you see
It was a lot easier to lie to me
I wasn't telling you the truth, can't you see
It was a lot easier to lie to me
I wasn't telling you the truth, can't you see
It was a lot easier to lie to me
I wasn't telling you the truth, can't you see

Ah ah ah ah ah, oh (x 17)

It was a lot easier to lie to me
I wasn't telling you the truth, can't you see
It was a lot easier to lie to me

I wasn't telling you the truth, can't you see
It was a lot easier to lie to me
I wasn't telling you the truth, can't you see
It was a lot easier to lie to me
I wasn't telling you the truth, can't you see
