Hah!
Well no one likes Tommy but it's no use to treat him
that way
You laugh at everything that he does, why do you gotta
be so lame?
?? now it doesn't really matter if he's not even worth
your time
Why do you got to laugh at him and push him down
and tell him he's slime?
And he's not afraid, he's not afraid, not afraid
Not to be, not to be like you and me
Just a lonesome fellow with no friends to help spend his
time
I really feel bad for Tommy everybody likes to make
him cry
It doesn't matter anyway, some day you're gonna
realize he's not a bad guy at all
What kind of person are you to make a guy who's
already alone feel small?
And he's not afraid, he's not afraid, not afraid
Not to be, not to be like you and me
And that's not so bad, not so bad
If that's how he'd rather be, a geek could be
Cool like the geek that picked on me
Well can't you take the hint, man, I don't like you
anymore
And he's not afraid, he's not afraid, not afraid
Not to be, not to be like you and me
And that's not so bad, not so bad
If that's how he'd rather be, a geek could be
Cool like the geek that picked on me
Whoa whoa oh
