My Baby's fixin' her face,  
Doing her hair,  
Runnin' red lights in her underwear.  
She likes to step on the gas,  
Put her foot to the floor,  
Music to her ears when the engines roar.

There ain't much she can't do;  
Anything I wanna do  
But when I turn my back  
I'm a mean speed demon heart attack

Baby Can't Drive,  
Baby Can't Drive  
I'm a million miles away  
Doin' a hundred and five  
If you wanna survive,  
Try and get there alive  
Baby Can't Drive,  
Baby Can't Drive

I got my red lips on,  
Makin' the stereo bleed.  
Texting my girls  
While I'm driving with my knee  
I'm doing my nails,  
I'm paintin' them black  
Cause baby's hit the road  
And there's no goin' back

My knuckles turning white  
Cause baby wants to drive all night  
My Hair is turning grey  
Cause baby wants to drive all day

Baby Can't Drive,  
Baby Can't Drive  
I'm a million miles away  
Doing a hundred and five  
If you wanna survive,  
Try and get there alive  
Baby Can't Drive,

Baby Can't Drive

Yeah, yeah  
Baby can't drive,  
Baby can't drive  
Yeah, yeah yeah

Baby Can't Drive,  
Baby Can't Drive  
I'm a million miles away  
Doin' a hundred and five  
If you wanna survive,  
Try and get there alive  
Baby Can't Drive,  
Baby Can't Drive

Baby, Baby,  
Baby, Baby can't drive  
You know I love you baby,  
But baby can't drive  
You just can't drive  
I never said I could  
Uh-uh, not my car....
