It was 2 years lost I don't recall  
Never did see the light  
And if up to you  
You know it's true  
You probably wouldn't be alive

Had the devil on our shoulder  
With a death wish on our mind  
Well the hounds of hell  
They knew us well  
They were never too far behind

We were singing

Someday  
We'll look back if we get out alive  
It's a crazy life  
Someday  
We'll get out of this crazy life  
Alive

You had long black hair  
The devils stare  
Oh you were a mystery

Always come around  
To bring me down  
Do a little bit for free

You couldn't get your sh\*t together  
Couldn't bring yourself to right  
Cause it's hard to tell  
When you're so unwell  
If you're in hell or paradise

We were singing

Someday  
We'll look back if we get out alive  
It's a crazy life  
Someday

We'll get out of this crazy life

Sometimes it's hard to see it  
When you're sucked down and reeling  
So hard to pull back in from the tide  
It's a crazy life

It was 2 years lost I don't recall  
Never did see the light  
And if up to you  
You know it's true  
We probably wouldn't be alive

We were singing

Someday  
We'll look back if we get out alive  
It's a crazy life  
Someday  
We'll get out of this crazy life  
We'll get out alive
