Ain't it scary deep inside?
Aren't you naked with no pride?
Let me turn you on
Oh, I can feed you lies
Let me turn you on

It's no longer a game
And under your skin
I'm ready to dive in
Parasites on television screens
Hide in the cracks and
Underneath the seams

Dime store rock
Has warped your mind
Melting faces, deep set eyes
Let me turn you on
Oh baby, what's your sign?
Let me turn you on

Goes along with the territory
She wants to fuck you tonight
Please, smelling like a wino on her knees
Please, selling you her Gothic rocket dreams
She's gonna burn you out to make it seem
Like no one wants a thing from you
'Cause you're a, has been on TV

It's no longer a game
And under your skin
I am ready to dive in
Let me turn you on
Let me turn you on
Yeah
