It's been a long year since you've been gone
I've been alone here I've grown old
I fall to pieces, I'm falling
I fell to pieces and I'm still falling
Every time I'm falling down
All alone I fall to pieces

I keep a journal of memories
I'm feeling lonely I can't breathe
I fell to pieces I'm falling
I fell to pieces and I'm still falling

Every time I'm falling down
All alone I fall to pieces
Every time I'm falling
All alone I fall to pieces

Every time I'm falling down
All alone I fall to pieces
All the years I've tried more to go
Will the memories die?
I'm waiting will I find you?
Will I find you?

Were falling down were falling down
Every time I'm falling down
All alone I fall to pieces
Every time I'm falling down
All alone I fall to pieces
