Pictures of you  
They're still on my mind  
You had the smile  
That could light up the world  
Now it rains  
It seems the sun never shines  
And I'll drive down  
This lonely lonely road  
Ooh I got this feelin'  
Girl, I gotta let you go  
'Cause now you've got to fly  
Fly to the angels  
Heavens awaits your heart  
And flowers bloom in your name  
Oh oh oh oh oh!  
You've got to fly  
Fly to the angels  
All the stars in the night  
Shine in your name  
You know it hurts me  
Way deep inside  
When I turn and look  
And find that you're not there  
I try to convince myself  
That the pain, the pain  
It's still not gone.  
And still I drive down  
This lonely lonely road  
Ooh I got this feelin'  
Girl, I gotta let you go  
'but now you've got to fly  
Fly to the angels  
Heavens awaits your heart  
And flowers bloom in your name  
Oh oh oh oh oh  
You've got to fly  
Fly to the angels  
All the stars in the night  
Shine in your name  
Ooh oh you know  
You gotta fly!

Ooh yeah!  
And still I drive down  
This lonely lonely road  
Ooh I got this feelin  
Oh, I can't let you go  
But I know that you  
Got to fly  
Fly to the angels  
Heavens awaits your heart  
And flowers bloom in your name  
Oh oh oh oh oh!  
You've got to fly  
Fly to the angels  
All the stars in the sky  
Shine in your name yeah  
Oh  
Ooh ooh ooh ooh ooh ooh ooh, baby  
Ooh ooh ooh ooh ooh ooh ooh, ooh yeah  
Ooh ooh ooh ooh ooh ooh ooh, I'm  
Gonna miss you, I'll miss you girl.
