I don't want it
Don't need it anymore
You got me lying on the killing floor tonight

I'm on eleven
Been up for days

It's gonna bring me to an early grave
This life
So I've got to go
You won't change my mind

'Cause I can't survive another night in the white room
'Cause a tiny bit
It always turns to more

And these bloodshot eyes gotta say goodbye
I had my fun
But I can't deny
Living hard and fast
I'll never last beside you
Oh!

My skin is crawling
I'm a shell of myself
You come a roaring like a bat out of Hell
That's right
Every fucking time!

Well, come on lover
Won't you give it a rest
I'm never gonna make it out of this mess alive

So I've got to go
Gotta say goodbye

'Cause I can't survive another night in the white room
'Cause a tiny bit
It always turns to more

And these bloodshot eyes gotta say goodbye
I had my fun

But I can't deny
Living hard and fast
I'll never last beside you
Oh!

(Solo)

'Cause I can't survive another night in the white room
'Cause a tiny bit
It always turns to more

And these bloodshot eyes gotta say goodbye
I had my fun
But I can't deny
Living hard and fast
I'll never last beside you
Living hard and fast
I'll never last beside you
No, no, no!
