I feel your comfort in my dreams  
Unprotected silent screams  
A light beyond your shadow beams  
Still I don't know what it means

When seasons change  
Memories remain

Chorus

I hold on because I won't let go  
Even though I know there's solitude below  
I hold on cause I can't let go  
I refuse to let the hands of faith unfold  
I hold on  
And when the darkness turns a day  
I won't let you drift away  
Conscience fades and some let go  
But I hang on cause I know

When seasons change  
Memories remain

Chorus

I hold on because I won't let go  
Even though I know there's solitude below  
I hold on cause I can't let go  
I refuse to let the hands of faith unfold  
I hold on

Slash solo

Chorus

I hold on because I won't let go  
Even though I know there's solitude below  
I hold on because I can't let go  
I refuse to let the hands of faith unfold

Noooo, Noooo

I refuse to let the hands of faith unfold

I hold on

I hold on

I refuse to let the hands of faith unfold

Ohh, I hold on
