Well your life seems zero and your past seems dense  
Future falls from promise, what makes sense

Heaven Helps those who go and help themselves  
The gates of heaven possess endless wealth

(Chorus)

Take Me Away, Take Me Away, and Take Me to the sky  
Take Me Away, Take Me Away, and Take Me to the sky

Living your life benefits mankind  
No place for sorrow so don't you waste your time

Heaven helps those who go and help themselves  
The gates of heaven posssss endless wealth

(Repeat chorus)

(Repeat chorus)
